

SCIENTIFIC JOURNAL

JOURNAL OF MINING INSTITUTE

Published since 1907 by Saint Petersburg Mining University

ISSN 2411-3336
e-ISSN 2541-9404

Dear colleagues!

*We invite you to publish in the thematic issue of the journal
“Integrated and Deep Processing of Mineral Raw Materials
of Natural and Man-Made Origin: Status and Prospects”*

Submission deadline: 20.05.2022

The issue will accept original research articles in the areas of:

- Mineral and technogenic resources and prospects of their development
- Technological mineralogy. Disintegration and ore dressing
- Physical methods of beneficiation (gravitation, magnetic and electric)
- Chemistry of surface phenomena. Flotation enrichment. Flotation reagents. Flotation technology.
- Complex processing of mineral raw materials, hydrometallurgical processes

Responsible editor of the issue: Doctor Tatiana N. Alexandrova, Professor, Head of Department of Mineral Processing

Publication: September 2022

Articles should be prepared according to the rules of the Journal of Mining Institute
