JOURNAL OF MINING INSTITUTE

Published since 1907 by Saint Petersburg Mining University

ISSN 2411-3336

e-ISSN 2541-9404

Registration Certificate PI No. FS77-70453 77-64439

Dear colleagues!

We invite you to publish in the thematic issue

«Modern Trends in Hydrocarbon Resources Development»

Submission deadline: 1 October 2022

Topical areas of the thematic issue include:

- technologies used in the construction of wells for various purposes;
- advances in the development of oil and gas fields;
- modern methods of transport and storage of hydrocarbons;
- improving the energy efficiency of oil and gas production processes;
- application of numerical and computer modeling to assess the efficiency of the developments.

Submissions should be consistent with the UN Sustainable Development Goal “Goal 12: Ensure Transition to Sustainable Consumption and Production Patterns”.

Responsible editors of the issue: Professor M.V.Dvoynikov, Dr. of Engineering; Associate Professor E.L.Leusheva, Candidate of Engineering.

Manuscript design: according to the rules of the Journal of Mining Institute, posted on the official website in the “Authors” section.

Manuscripts are accepted only through the electronic editorial board of the journal pmi.spmi.ru.

Publication: December 2022.
